

LITTLE FLOATER

These small, lightweight Spinners “float” over the surface - just like a hovercraft - so using a Little Floater is easy on the operator!

The Little Floater works with your pressure washer in two ways:

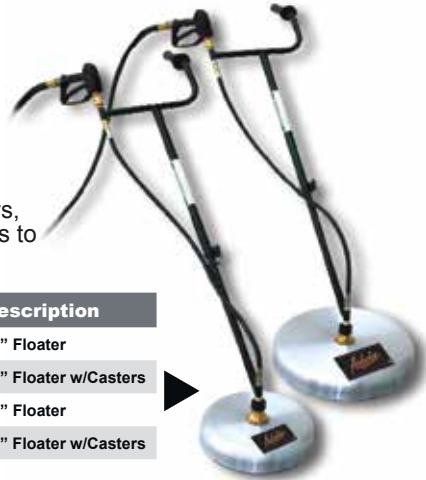

- The force generated by your pressure washer spins two spray nozzles at high speed which maximizes cleaning on many different types of surfaces.
- The pressure generated by the spray creates the “floating” action!

Little Floaters are ideal for small spaces and uneven surfaces: sidewalks, driveways, pool decks, patios, roofs, etc. The applications are endless and there are no wheels to hang up in small spaces or as the surface changes. • Competitively priced!

Features:

- Heavy duty 12” or 16” floating aluminum deck
- Lightweight
- 3000 PSI Max. • 200° F max. temp. • Balanced spray bar
- Heavy duty construction • 2 piece detachable handle for easy storage
- Heavy duty nylon brush • Powder coat painted handle
- Removable spray tips • Brass swivel • Available with 2 spray arm assemblies only

ASE-0011-A	16” Floater
ASE-0011-C-A	16” Floater w/Casters

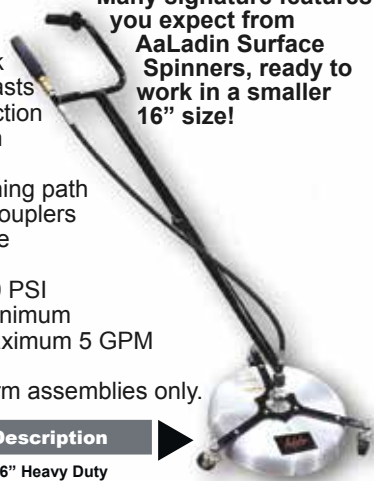

HEAVY DUTY/FLIGHT

16” Heavy Duty

At just 16 lbs., it’s as lightweight as a poly-deck surface spinner, but it boasts durable all-metal construction and a corrosion-free spun aluminum deck.

- Features:**
- Full 16” cleaning path
 - Trigger gun with quick-couplers
 - 3/8” Quick coupler nipple
 - 2 Nozzle spray arms
 - Minimum pressure 1500 PSI maximum 4000 PSI • Minimum flow rate 2 1/2 GPM, maximum 5 GPM
 - Three 2” caster wheels
- Available with 2 spray arm assemblies only.

Many signature features you expect from Aaladin Surface Spinners, ready to work in a smaller 16” size!
